

This ceremony has been created to be inserted into the middle of the first Jesus MeetUp lesson of the year. It fits in beautifully with this lesson and is a wonderful way to mark the beginning of your ministry year. May you have many, many new Ambassadors ready to serve our Master FULLY, and to continue all the way through, even to Paradise!

Note: If you have created an Ambassador Appointments Team [service group that facilitates this honoring event] then they can take over this part of the meeting. It is GOOD to allow others to lead in that this develops leadership experiences for THEM and they may grow into new leaders for your group. Or, they may even decide to step out on their own to begin their own Jesus MeetUp ministry. In fact, this would be your ultimate goal – for new leaders to emerge with new ministries forming for further expressions of our Father’s will.

Leader: Today is a special day of recognition for our newly ordained Jesus’ True Religion Ambassadors!

All new Jesus Ambassadors please come forward. [show them where to stand]

Leader: [State each person’s full name and the meaning of that name. Try to focus on the spiritual aspects of that name, if you can. Note: If you have created an Ambassador Appointments Team then they can take over this part of the meeting. It is GOOD to allow others to lead in that this develops leadership experiences for THEM as they may grow into new leaders for your group. Or, they may even decide to step out on their own to begin their own Jesus MeetUp ministry. In fact, this would be your ultimate goal – for new leaders to emerge with new ministries forming for further expressions of our Father’s will.]

Leader: “It has become apparent to our leadership and our group at large that the Sovereign Master of our Universe, Christ Jesus, has become the center of your life/lives and through the Power of our Indwelling Paradise Father Fragments we set you apart for the official work of the ministry of Jesus in our community, and possibly beyond.”

Leader says to the first Ambassador: “[Person’s full name], do you confirm that you will faithfully and humbly serve the people of [group’s name] as a leader of our [name of ministry], promising to do your very best and in accord with your other leaders to uphold the responsibilities and duties of this office?”

Ambassador: “Yes, I do.”

[Leader continues to each Ambassador with the same question. If there are many the leader may consider using this question to the group of Ambassadors at large and then they all answer together. However, this is less personal for the new Ambassador. You must personally decide what is best.]

Leader asks the group: “Do you, the Jesus-followers of this group ministry, agree to faithfully support [person’s first name] in this ministry, to pray for him/her and uphold him/her in him/her responsibilities with the help of Jesus Himself?”

Group responds: “We do.”

The Jesus MeetUp Leader may then anoint the individual with oil [just a little] by dipping a finger or thumb in the oil and applying it to the person’s forehead while saying...

Leader: “We ordain and commission you in the name of Jesus, to serve our Sovereign Master, our Paradise Father and this group as a leader of our [name of ministry]. May it be so!

The Jesus MeetUp Leader then lays hands on the individual being commissioned, asks the other leaders to do the same, and offers a prayer of commissioning.

Pray

Leader: “The prayer of Jesus: 140:2.2 “My Father, I now bring to you these men and women, my messengers. From among our children on earth I have chosen these Apostles to go forth to represent me as I came forth to represent you. Love them and be with them as you have loved and been with me. And now, my Father, give these men and women wisdom as I place all the affairs of the coming kingdom in their hands. And I would, if it is your will, tarry on earth a time to help them in their labors for the kingdom. And again, my Father, I thank you for these men and women, and I commit them to your keeping while I go on to finish the work you have given me to do.”

Leader: You have entered into “Kingdom Play” with your sincere heart/s of integrity and service. You have made the greatest decision to do your Father’s will. We are taught that you now have Seraphic support and quite possibly Midwayer attention as well. We are taught that your indwelling Thought Adjuster is very interested in your material/physical success also. This does not mean that you will not have struggles/challenges and problems in your life, however it does mean that He will be with you through it all. And as you seek to do His will, seek His righteousness first and foremost.

Thank you for your service. But more importantly be thankful that you GET TO serve our Master and our Paradise Father. For this is the sublime gift we receive from our Father. As we lovingly serve Him and our fellows He tenderly grows us from within to become more and more like He is. This is our highest goal! You may find your seat now.
